

Backyard Blessings

Connecting Women - Building Friendships

Here's The Scoop

Join us! We have planned a women's "backyard" gathering right here at Bidwell Presbyterian Church. What a great opportunity to spend time together celebrating, learning, laughing and growing in our relationships with God and with one another.

We will hear inspirational talks from Debbie Whaley, Associate Pastor from First Presbyterian Church of Berkeley. Together we will share good food, fun times and fellowship. Don't miss this special time of connecting and rejoicing.

It is going to be a blast!

Register by September 4th and receive the early bird rate of \$30. Registration costs between September 5th and September 12th will be \$35.

Childcare will be available on Saturday for an additional fee of \$10 per child, but you must sign up for childcare on the registration form and provide child(ren)'s names and ages.
