## Servantship Covenant

### Our Purpose as Leaders in the The Door college ministry

We are a community of people called first to love God and then to love each other and others through Christ centered relationships.

### Our Priorities in College Ministry This School Year

We have determined that College Ministry will be about these four priorities during the school year:

1. ENGAGE the assumptions and practices of our culture through the message of Jesus Christ.
2. GROW an authentic, open, caring community that is attractive to the watching world.
3. CONNECT the mentoring capacities of our congregation into the lives of students.
4. GIVE our lives to a kingdom cause that is worth dying for.

### Our Covenant

Servantship covenants to be and do the following both within and outside the context of our college programs:

1. Be committed to Jesus Christ as our Lord and Savior and strive to love him daily through reading scripture, worship, prayer, fellowship, and ministry.
2. Be an active part of BPC by attending weekly worship.
3. Be a full participant in your weekly small group.
4. Live a life that is pure and reflects the fact that you love and serve God alone (Just so we're clear...this means no drinking if you're under 21 and responsible drinking if you are over 21. This also means sexual purity: not having sex if you're not married, sexual purity in dating relationships, and abstaining from pornography).
5. Know why we are doing any given program- what purpose is it accomplishing (outreach, fellowship, discipleship, worship, stewardship, or ministry)?
6. To use our gifts in ministry according to our gifts, dreams, and passions.
7. Actively participate in the life of our ministry through groups and events.
8. Communicate with Greg or Bonnie if you can't make it to a leadership meeting or to a college ministry function and find a replacement for your responsibilities if applicable.
9. Be committed to warmly welcome students at all events- this includes arriving early and being prepared for scheduled meetings and events.
10. Hang out after events with students. Help clean up when necessary.
11. Be committed to knowing, developing relationships, keeping short accounts, and loving the other leaders in our ministry.
12. We will practice direct communication within our leadership teams. No triangulation.
13. Make leadership meetings (Tuesday Nights) and leadership retreats a priority in your schedule
14. Put the following dates on your calendar and plan to be there:

August 14-16	Servantship Retreat
August 18-20	Dorm Move-Ins
August 28	Kick off Fun Friday BBQ
September 18	Fun Friday
September 25-27	Fall Retreat (Richardson's Springs- just outside of Chico)
October 9-10	Family Weekend
October 11	College Sunday (at BPC)
October 16	Fun Friday
November 13	Fun Friday
December 11	Door Christmas Party

I have read and understood the above covenant of Servantship, Bidwell's college ministry student leadership team.
