Nominating Form

The church Nominating Committee encourages each member of the congregation to have a voice in choosing the men and women who will be nominated to serve in a leadership role for the church during the coming year.

All Elected Church Leaders

To be considered, nominees must...

- Have a personal commitment of faith in Jesus Christ as Savior
- Be a witness of God's grace in our community
- Be a member of our church
- Have regular attendance at worship services
- Have served in church activities
- Contribute to the financial support of the church

Elders

Elders should be persons of faith, dedication and good judgment. Their manner of life should be a demonstration of the Christian gospel, both within the church and in the world.

It is the privilege of Elders, individually and jointly, to strengthen and nurture the faith and life of the congregation committed to their charge of spiritual leadership for the total church.

Elders are also members of the Session, the governing body for financial and physical church management.

Deacons

The office of Deacon as set forth in Scripture is one of sympathy, witness and service, after the example of Jesus Christ. Persons of spiritual character, exemplary lives, honesty, sympathy and good judgment should be chosen for this office. The primary privileges and responsibilities of deacons are to minister to those who are in need, to the sick and to anyone in distress.

Nominating Committee Members

These individuals should be persons who have a background of service to Christ through our church, a knowledge of the work of the Session and the Board of the Deacons, a broad acquaintance with members of this congregation and a sincere desire to assume the responsibility required

Please return this form to the church office by June 7th
