Event Scholarship Application

To more adequately accommodate your request, please submit this application to the church office no later than two weeks prior to the event date. Our goal is to have everyone attend these events. We don't want financial considerations to hamper your enjoyment of this event. Please prayerfully consider what you can contribute toward the cost of the event. **Except for in special circumstances, our standard scholarship award is up to 50% of the event cost.** Please be assured that all requests will be confidential. Upon reviewing of this application, someone will be in contact with you.

Work Scholarships: We consider our scholarships to be "work scholarships". We ask that students or parents receiving scholarship assistance be open to volunteering in our youth department when a need arises. We will let you know when there is an opportunity for you or your student to help us out!
