

# Service And Leadership Team (SALT)

To be a high school Refuge peer leader is to commit to living out your calling as a servant of God in Christ. To be on the **S**ervice **A**nd **L**eadership **T**eam is to take charge in fulfilling the mission to make disciples that God has given His children. It is a semester-long commitment to grow in Christ, shape our youth group, and grow in leadership.

This is an opportunity for seniors, juniors, and second-semester sophomores. Since SALT members will help plan retreats, each SALT member will receive a \$50 scholarship toward the trip they help prepare.

## **SALT Members**

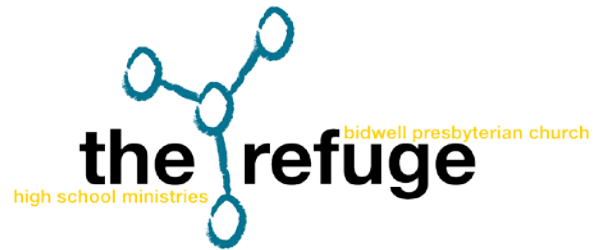

- Show a desire for personal growth in Christ
- Participate in weekly worship services, Refuge small group, service projects, retreats, and trips whenever possible

  - Meeting regularly with a mentor
  - Completing reading assignments
  - Helping with retreat/trip planning
  - Leading a ministry team or project
