

**One Mobile Projector Per Trainer**

Reducing Worldwide Poverty Through Video Education

## Humanitarian Volunteer

*One Mobile Projector Per Trainer (OMPT) is a global mission partner of Bidwell Presbyterian Church.*

### **About this ministry opportunity**

Do you want to be involved in creating positive social change around the world? Are you looking for a flexible volunteer role where you can share and develop your skills in the nonprofit and humanitarian sectors?

One Mobile Projector per Trainer is a small nonprofit in Chico; however, we work in the poorest countries around the globe like Haiti, Nepal, India, Mozambique, and Rwanda. We partner with other charities such as Save the Children to help transform the lives of underserved communities through innovative technology. We essentially coach for the staff of the other charities, helping them to integrate video into their interventions about health, education, agriculture, and the environment, etc. These interventions, magnified with video technology, help accelerate the rate of positive social change for those who need it the most.

OMPT was founded by an elder at Bidwell Presbyterian: Matt York. While he knows that God has called him to this mission, OMPT is not a faith-based organization and is most often funded by both Christian and secular donors and institutions.

OMPT seeks a volunteer to assist in several key duties critical to the success of the organization.

- Marketing
- Social media
- Copywriting and content creation
- Newsletter creation
- Outbound emailing
- Database organization
- Equipment management

### **Qualifications**

- Interest in international development and/or helping the most vulnerable
- Data entry skills

- Familiarity with Google Drive (or willingness to learn!)
- Strong writing and grammar skills
- Interest in audiovisual technology

Although this is an unpaid volunteer position, this is a great opportunity for volunteers interested in helping the world's poorest. During your time here, you'll get to see firsthand how a nonprofit really works and what international development is all about.
